**COURSE/LAPPED RIDERS:** With free reign of the park in 2017 the course will be even more variable and exciting (including a massive run up inspired by the National Championships in Hartford!). Fast, flowing, challenging and uniquely European, it is designed to allow all lapped riders to complete the entire race (non UCI) while still maintaining the integrity of the competition at the front. The UCI professional course will be slightly longer and more technical thus allowing riders at the back to race longer before being pulled.

**REGISTRATION:** Early bird registration opens online at 6pm ET on 8.7.17 on bikereg.com (bikereg.com service charge not included above). All non junior specific category entry fees will increase by \$5 on 9.1.17 and \$10 on 9.15.17 (\$15 total). Online registration closes at 11:59pm ET on 9.24.17. Any registrations after 9.24.17 will include a \$10 late fee. Day-of registration opens one hour before the first race and closes 60 minutes before each event. [PRE-REG ONLY FOR UCI CATS- FRI/SUN Jr, W, M]. One day domestic racing licenses will be available for \$10. All entry fees include \$1 donation to Race CF, NEBRA Rider Surcharge of \$1 and USAC Insurance Surcharge of \$3.75.

**STAGING: UCI:** UCI points then random draw. USAC: Crossresults.com ranking then order of registration.

**JERSEYS:** As it was in 2016, each category will be run as a two day omnium. Verge long sleeve jerseys are awarded after the 2nd race to the best overall rider in each category. \*Single day non-omnium event: Jerseys are awarded to winners directly after race.

**NOTES:** \*\*Two age categories staged as one - one start - shared prize purse - age delineation included in results - 2x podium/medals done separately. \*\*\*15-16 Men start first at 11:00 Fri & 11:30 Sat (40m race) separate scoring, podium & purse; 15-16 W, 13-14 M&W, 11-12 M&W, 9-10 M&W each category staged separately older>younger - one start at approx 11:10 Fri & 11:40 Sat (30m race) - age delineation included in results - 7x podium/medals & 4x purses.
